FRANK GRIGO, Representative, E. S. Binning Steamship Company, Inc., Room 724, Whitney National Bank Building, office telephone 529-5561, residence - 3705 Green Acres Road, Metairie, Louisiana, was interviewed at the New Orleans Press Club, International Trade Mart, 124 Camp Street, and advised that he is of Cuban origin and is familiar with many Cubans working and living in New Orleans, Louisiana, but added that he was not present at the Trade Mart during August, 1963, when LEE HARVEY OSWALD and possibly additional persons passed out handbills bearing the heading "Hands Off Cuba," although he stated he had followed coverage of this incident on television.

He was furnished photographs of LEE HARVEY OSWALD and other individuals taken by a WDSU photographer on August 16, 1963, and made available for the use of the FBI and he stated that the only persons he would be able to identify from these photographs was OSWALD as well as a friend of his, Mrs. DELORES NEELEY, who he said worked in the New Orleans Export-Import Exchange Office in the International Trade Mart. He stated that possibly one white male, pictured in these photographs as apparently holding a stack of handbills similar to those being held in these photographs by OSWALD, might bear some resemblance to an individual who worked for the Waterman Steamship Company with main offices located at Puerto Rico and employed possibly on the 11th or 14th Floor of the American National Bank Building. He added that the indiviual referred to was from Nicaragua and added he believed this person was present at the Trade Mart on this occasion.

GRIGO also stated that he believed another individual who was of Cuban origin named (FNU) GUITEREZ, employed in the Columbian Invoice Section of the United Fruit Company located at 325 St. Charles Avenue (telephone 523-2351) had been present when handbills had been passed out at the International Trade Mart. He further added it was his understanding GUITEREZ had appeared on television in Channel 4, WWL-TV, films of this incident.
